

Woods Cemetery Association

The cemetery was established in 1890,
however, burials started in 1840.

To all the descendants & friends of the Woods Cemetery, located in Little Flock, Arkansas, thank you for your interest in the Woods Cemetery Association! We are a 501(c)(3) non-profit organization (tax deductible), under the umbrella of the Benton County Cemetery Preservation Group, Inc., and VintageBentonville.com.

Unfortunately, after many years of neglect, the cemetery has had some stones broken and clean up has been lacking. Our goal, with your help, is to remedy that by having the broken stones repaired, the graveyard mowed & maintained and keep the fencing in good order. Part of this is purchasing materials like D2, a monument cleaner, to keep the lichen, moss and other things from growing on the stones, which will eventually deteriorate the stones.

With your \$20 first year membership, and \$10 renewals annually, you will ensure your Ancestors will have a resting place they would be proud of and protected.
